	priority for Carmarthenshire going forward			
	Public sector procurement – initially through the Foundational Economy Challenge Fund project	Gwyneth Ayers	Updates on Project progress provided to PSB meetings. Next steps post end of project in March 2021 to be considered. Phase 1 project completed with on-going discussions relating to Phase 2 to progress certain elements of the work	FE project funding until end of March 2021
	Progressive procurement regional cluster with Pembrokeshire, Swansea and Neath Port Talbot	Gwyneth Ayers	Agreement to hold joint PSB cluster workshop on 11 February 2021 with PSB, procurement and economic development representation from member organisations. Following initial session, further officer workshops focusing on 4 key areas: <ul style="list-style-type: none"> • Social value in construction / retrofit procurement • Food procurement • Local SME opportunities • Generative businesses in health and social care procurement First round of officer workshops held in March.	End of 2021
Safer Communities	Work towards compliance with Counter-Terrorism duties by partners ensuring appropriate staff training provided	Kate Harrop	Initial discussions taken place at CONTEST Board around proposed Protect Duty currently out to consultation. This duty which will be placed on many partners aims to make the public safer at publicly accessible locations. Further discussion will take place at June CONTEST Board once partners have had time to take account of requirements. Information on training and development opportunities recently circulated to partner organisations.	

Well-being Plan Objective	Project	Lead Officer	Progress	Timescales
	Continue to develop partnership working to tackle serious organised crime including County Lines activity	Kate Harrop	Information continues to be shared among partners on an ad hoc basis and in Serious Violence and Organised Crime Board meetings. County Lines Intensification week is being organised in May, led by Police, with targeted action involving partners.	
	Develop usage of 'Internet of Things' technology to tackle local crime and disorder problems	Kate Harrop	This initiative is part of a wider project to develop network of SMART towns which aligns with current work undertaken across ten rural towns focusing on economic growth, also covering Ammanford and Burry Port. Joint pilot project funded by the county's Local Action Group, Grŵp Cefn Gwlad, responsible for delivery of LEADER programme, the Valley's Taskforce Programme and Safer Communities Partnership using Welsh Government and PCC funding. Locations for gateway installation being finalised and engagement events with key stakeholders in each town are arranged for May and June.	
	Raising awareness of cyber-crime among partners	Kate Harrop		
	Learning from themes identified by domestic homicides	Kate Harrop	Resources been produced for frontline practitioners on following themes: domestic abuse among older people, male victims, isolation/rural issues, Child to Parent abuse and domestic abuse and mental health. These will shortly be distributed to staff in partner organisations across the region.	
	Work to bring together communities while identifying any tensions affecting community cohesion	Kate Harrop	Weekly tension monitoring meetings continue to take place between partners. Recent racist graffiti in Ceredigion has resulted in training being explored for
